Issue 3 – December 6<sup>th</sup> (2023 2024 Season)

Hamilton and Region

**Join Nicole LeClair on Dec 6th to learn more about her journey through the trades throughout the past 25 years - what led her there and what kept her there.**

**She is extremely dedicated to the trade of welding and has even created The Nicole LeClair Welding Bursary Award from her own funds.**

**Over the past 4 years, she has given out \$33,500 worth of funding in order for Ontario students to pursue welding at the post-secondary level.**

**Some of her credentials include being Red Seal certified, a Welding Engineering Technologist, Welder Fitter, a welding inspector and an International Welding Technologist as well.**

**She is a professor of welding at Mohawk College and educating students is by far her greatest area of interest of all her work thus far. More info can be found at:**
